## Kit contains

- Money Votive
- Money Draw Mist
- Money Draw Oil
- Herbal Money Bath

## Step One Charge Your Candle

Begin by rubbing the oil into the candle from the bottom toward the center, then from the top to the center. As you are doing this imagine money coming towards you from different sources and into your bank account. Imagine your bank account balance has increased. Hold your thought-pictures throughout the procedure. In each case, seal the candle with the sign of the Solar Cross drawn

in the air over the candles, with the words, "So mote it be!" ☉

## Step Two Lighting Your Candle

Before lighting your candle, place either money or a bank statement underneath the candle or next to the candle. Light your candle on a Thursday fifteen minutes before any hour. (example 4:45, 5:45, etc.)

## Step Three Herbal Bath

Follow the directions for the herbal bath.

## Money Draw Mist

The mist can be used as a room spray or body spray. Each time you spray concentrate on money coming your way.
