

The Psychic Link

Kit contains

- Spell Breaker Votive
- Spell Breaker Mist
- Spell Breaker Oil
- Herbal Spell Breaker Bath

Step One Charge Your Candle

Begin by rubbing the oil into the candle from the bottom toward the center, then from the top to the center. Focus on all negative things leaving your surroundings. Imagine you are a white light and black lights are being removed as your light shines brighter. (If you are doing this kit for someone else imagine it is them as the bright light.) Hold your thought-pictures throughout the procedure. In each case, seal the candle with the sign of the Solar Cross drawn in the air

over the candles, with the words, "So mote it be!" 

Step Two Lighting Your Candle

Before lighting your candle, place a picture of yourself underneath the candle or next to the candle. (or a picture of the person the kit is for) Light your candle on a Friday five minutes after any Mercury hour. (example 4:05, 5:05, etc.)

Step Three Herbal Bath

Follow the directions for the herbal bath.

Spell Breaker Mist

The mist can be used as a room spray or body spray. Each time you spray concentrate on negativity leaving from around you or the person you are trying to cleanse.
